10 January 2013

To: Parents of pupils in Primary Years 3 & 4

Dear Parents

Last term, we combined Years 3 and 4 for a choir during European Hours on a Wednesday afternoon. We enjoyed working with the children and they performed very well at the Christmas assembly.

We hope to continue with a Years 3 and 4 choir with interested pupils on a voluntary basis and plan to rehearse a new set of more varied songs.

The idea is to have a multilingual and multicultural music session of 45 minutes every week. The children will learn songs in English, French and German and keep the best ones for a performance for parents on 21 May 2013. The year groups working with Lin Marsh and the Primary School Orchestra will also perform on that date.

**The Years 3 and 4 choir will start on Wednesday 23 January from 12.20 to 13.05 and will take place in the Drama Studio.**

The children will have time to eat their lunch before choir practice.

We are confident that interested children of Years 3 and 4 will have an enjoyable time every week. Nevertheless we expect **regular attendance** to ensure a successful performance in May!

If your child would like to join the Years 3 and 4 choir, please complete the slip below.
